

Rival 170 Speed Boat

“To describe the handling of this boat as awesome almost seems an understatement. This is the finest cornering boat in its class that i have ever driven. It approaches the ability of jet boats to execute rediculously hard turns at any speed”
Boating World Magazine.

The RIVAL 1700 offers lots of room for sunning and relaxation with a cockpit designed for families. Driver and mate enjoy swivelling bucket seats and the cockpit also features a large bench seat. The floor locker stores all your favourite water toys - skis, kneeboard, wakeboard and more. The GRP liner form of construction offers space and the pop in carpets can are removable for cleaning.

The Erne Boats Rival 1700 behaves as its name suggests and it will rival anything out there for handling and performance. Wakeboard Tower available. Cover Included. Canopy available.
